Laying the Brick (Application)

The Holy Spirit is working to mold us into the likeness of Jesus each and every day of our lives (1 Cor 3.18). If we are not proactively following His direction then we are susceptible to the lies Satan tries to tell us. Satan wants you to forget the Holy Spirit's work in your life (or not hear & obey his direction).

This week spend time studying out the "Brick & Mortar" passages for your Quiet time.

This week spend time journaling how the Holy Spirit has been working to transform you into the likeness of Jesus. When you have made choices to follow the Spirit of God, what do you notice different around you?

How do your choices of godliness impact those closest to you?
